MODERN PRODUCTION FACILITY

Founded in Istanbul in 2012, GALOSSAN manufactures disposable hygiene products and shoe cover dispensing systems. Since its establishment, the company has combined its industry experience with modern production technologies and an expert team, continuously expanding its product range..

GALOSSAN manufactures shoe cover dispenser systems, shoe covers, boot covers, caps, sleeve covers, aprons, gloves, raincoats and various other disposable hygiene products. Operating with a focus on quality, hygiene and sustainable production, our company serves customers in Türkiye and exports to more than 30 countries.

In our production processes, we prioritize quality standards, product safety and customer expectations, providing reliable and functional solutions tailored to the needs of different industries.

GALOBX and DISPOMAX are brands operating under GALOSSAN.
